

## Now Experience the Benefits of "Walking" a Finger Labyrinth

A finger labyrinth can be a valuable addition to your spiritual repertoire. Just as walking a full sized labyrinth can be a meditation or prayer exercise, a relaxing break from your day, or a creativity enhancing practice, a finger labyrinth may be used to gain similar benefits.

Each of our labyrinth designs is printed with permanent colorfast inks on our sturdy white vinyl and precision die cut. Our finger labyrinths may be rolled or folded. Slip one into your purse, briefcase, or tote bag to use whenever and wherever it best suits your needs.

**Finger Labyrinths** make a great gift! Available in six designs in sizes from 18" to 8.5" across. Prices below include FREE delivery in the United States via Priority Mail or FedEx Ground.

**Are you a Crafter?** Do embroidery or cross-stitch? We now offer all of our finger labyrinths printed on gessoed art canvas for you to personalize. Send us your completed project photos!
